

MAVERICKS PARENTS' CODE OF CONDUCT

1. I will be on time or early when bringing my child to his/her practice or meets. I will be on time to pick up my child at the end of practice. I will either be there to encourage my child during swim meets, or designate another parent to be there.
2. I understand the Mavericks Mission and Vision statements. I will encourage my child to be respectful to the other swimmers and the coaches and make sure they maintain a healthy emotional perspective when competing. I will be positive and supportive.
3. I understand the importance of setting a good example of sportsmanship for my child. I will show respect for all involved in the sport including coaches, swimmers, opponents, parents, and officials.
4. I will refrain from coaching my child during practice and at swim meets. I will trust the coaches to do their job. If I have questions about how my child is being coached, I will contact the coaches after practice on deck, or later by phone or e-mail.
5. I understand that practice time is for the swimmers and coaches to work together. If I remain on deck during practice, I will stay on the east or west side of the pool, and away from the edge of the pool, so I do not distract the swimmers and so that I am not in the way of the coaches as they work.
