To enter an event, fill in the "Entry Time" box with the swimmer's best time. A blank Entry Time means the event will not be entered. If Swim Connection has a record of the swimmer being entered, [Entry Times can be automatically filled in with a swimmer's best times](#) by simply clicking on the "Get Best Times" button below. Note that entry times automatically filled in are not necessarily considered official best times by Pacific Swimming. Erase the Entry Times from any events you do not wish to enter. If no time is available, enter NT. A time is entered using the standard "swim time notation", for example: 5:30.20 or 24.99.
